# The AlHuda International School Journey

## A Dream...becoming a Reality

Over the past thirteen years, AlHuda International School has emerged as a beacon of educational excellence. Founded in September 2010 under the visionary leadership of Dr Farhat Hashmi, the luminary founder of the Al-Huda International Welfare Foundation, our institution has become an educational cornerstone in major cities of Pakistan. Our mission is crystal clear: we aim to redefine educational norms by nurturing students who embody both knowledge and virtue, instilling in them a profound reverence and trust in Allah ﷻ, and equipping them with essential skills such as effective communication, critical thinking, and teamwork, enabling them to become productive members of society.

Our success is firmly rooted in an unwavering commitment for a holistic development, which encompasses intellectual growth, physical well-being, spiritual enrichment, and emotional resilience. From the early years in Montessori through the advanced stages of A-levels, our students thrive, benefiting from 'Moral Education' classes and exclusive 'Tarbiyah Sessions' that significantly enhance their educational experience. In our trilingual environment, Arabic, English, and Urdu are seamlessly integrated into their educational journey, while on some campuses, we provide an exclusive AIS Hifz Program for Qur'an Memorization enthusiasts.

What truly sets us apart is our dedication to creating a nurturing and inspirational atmosphere, meticulously guided by the principles found in the Qur'an and Sunnah. Our dynamic institution is led by passionate individuals who ensure that students embark on a fulfilling and enriching educational journey. As part of the AlHuda Schools Network, AlHuda International School stands as a testament to the transformative power of education, poised to expand its reach and continue providing a high-quality educational experience deeply rooted in authentic Islamic teachings.

# DIRECTOR'S MESSAGE

Assalāmu `alaikum wa Rahmatullāhi wa Barakātohū!

Alhamdulillah, completing thirteen years of dedicated service so far in providing quality Islamic education to our children marks a significant milestone.

It brings me great joy to reflect specifically on AlHuda International School's achievements over the past year, thanks to the commitment and dedication of our students, teachers, and parents; a community we call the 'AIS Family'. In this annual report, we celebrate our achievements from last year and emphasize our holistic approach to education. We extend heartfelt congratulations to all for your invaluable contribution. Your unwavering support brings us closer to realizing our vision of "Qur'an for All; in every hand, in every heart."

This wisdom guides our journey as we provide an education that goes beyond academics. Our well-equipped facilities, specialized Qur'an rooms, resourceful libraries, and nurturing environment at our campuses create an ideal foundation for holistic development. Our educators continue to inspire and innovate, ensuring our students receive the best education. We are not just preparing children for this life but also for the Hereafter, firmly rooted in Islamic values.

In the spirit of progress and growth, we are thrilled to announce our upcoming project, the construction of a state-of-the-art Flagship Campus in Top City, Islamabad. This flagship institution signifies our commitment to providing an exceptional educational experience, and will enable us to welcome more students into an environment that upholds the values found in the Qur'an and Sunnah.

As we embark on new horizons, we remain dedicated to our shared mission of nurturing future generations. Your unwavering support has been the cornerstone of our journey, and we are truly grateful for your trust in our vision.
