Dear AIS Community,

With the grace of Allah (SWT), I am pleased to introduce our first eNewsletter, 'AIS Chronicles'- a digital bridge connecting our multifarious vibrant community of educators, staff, students and parents. May Allah (SWT) bless this platform, transforming it into a conduit for sharing educational successes, nurturing unity, and celebrating the achievements of our students, *InShāAllāh*.

JazakAllahu Khair for being an integral part of the AIS family.

Wassalam,

Atif Iqbal
Director,
AlHuda International School

We are thrilled to announce our collaboration with the 'Leader in Me' framework at AIS campuses in Islamabad and Karachi, *Alḥamdulillāh*. This transformative initiative aims to redefine classrooms, preparing every student for the challenges that lie ahead.

By integrating this globally renowned program with Islamic principles from the Qur'an and Sunnah, we intend to cultivate a holistic and dynamic educational experience.

It's not just about academics at AlHuda International School; it's about shaping the Muslim leaders of tomorrow.

We're not stopping here – stay tuned for more campuses joining the crew soon!

رمضان سے کیا سیکھا؟

میں نے رمضان سے سیکھا ہے کہ ضروری نہیں انسان کو ہمیشہ شیطان ہی ورغلائے۔ اس کا اپنا نفس بھی اس میں برابر شامل ہوتا ہے۔ رمضان میں بھی اگر ہم گناہوں سے نہیں رکتے تو اس کا صاف مطلب ہے کہ ہمارا دشمن شیطان نہیں بلکہ ہم خود ہیں۔

اگر انسان سحری کے وقت جاگ سکتا ہے، پانچوں وقت کی نمازیں پڑھ سکتا ہے، نفل ادا کر سکتا ہے، تلاوت قرآن اور ذکر کر سکتا ہے، تو یقیناً یہ سب پورے سال بھی کیا جا سکتا ہے۔

روزہ رکھ کر انسان کو پتہ چلتا ہے کہ جب ایک دفعہ نیت کر لی جائے تو اس کام کو انجام دینا ضروری ہوتا ہے اور سب سے ضروری یہ ہے کہ تنہائیوں میں بھی مؤمن بنا جائے۔ جیسے روزے کا آغاز اذان فجر سے اور اختتام اذان مغرب سے ہوتا ہے، اسی طرح انسان کی زندگی ایک اذان سے لے کر دوسری نماز تک ہے۔ اس لیے اپنی زندگی کو رمضان کی طرح جینا ضروری ہے تاکہ موت ہم تک عید کی صورت میں آئے۔
