All praise and thanks are due to Allah ﷻ, The Sustainer of all the worlds. May peace and blessings of Allah ﷻ be upon our beloved Messenger ﷺ.

As you read through this report, do not forget to say 'Alḥamdulillāh' for the great milestones that our students, staff and parents have been able to achieve. The results and efforts clearly show that with Allah's mercy, we can do wonders when we work together.

The Messenger of Allah (ﷺ) said: "Whoever goes out seeking knowledge, then he is in Allah's cause until he returns." (Jami' at-Tirmidhi)

Educating Relentlessly

ONLINE & ON CAMPUS

Thriving as a school in the time of COVID-19 was a reflection of our mission-driven team. As lockdowns were observed in different cities at the beginning of the academic session, AIS campuses across Pakistan decided to find the best way forward. In the uncertain times when the education sector was struggling, through a survey form, AIS took valuable suggestions from parents of students from Montessori - Grade VII for their preferred choice; 'Online' or 'On Campus'.

Keeping in view parents' preferences received, the school decided to simultaneously go 'On Campus' & 'Online' with a regular 5 day school week in the first term, hence catering to all the parents' preferred choice of learning mechanism for their child.

As COVID related restrictions eased due to a drop in COVID cases and administering of vaccinations, campuses across Pakistan opened up to cater to students in full capacity.

The entire team at AIS was committed to making a safe and enriching learning experience for our students. Our dedicated staff and faculty in campuses across the nation went above and beyond to make sure education didn't stop for our students.
